

## Admissions

### ADMISSIONS

Application Process:

- Contact Children First School to arrange for a tour of the school.
- Complete the application for enrollment and return it with other requested documentation to the school with a non-refundable registration fee of \$50. We accept applications year-round.
- Upon receipt of a complete application it is reviewed by the admissions committee. The committee may require additional references or information as needed to assess the student.

### NON-DENOMINATIONAL

Children First School exists as a mission of First Presbyterian Church. Chapel is held each Friday for all students, although participation is not mandatory.

We extend our services to all families on a non-denominational basis.

Our program encourages the development of faith-based values such as respect for one's self and others, concern for the needy, care for our planet, and respect for other religions and cultures.
